

Neil E. Boudreau

Neil Boudreau serves as the Assistant Administrator of Traffic and Safety for the Massachusetts Department of Transportation, Highway Division, and has been with MassDOT since 1995 serving in many roles within the Traffic Operations and Safety Management groups. In addition, Neil represents MassDOT on several national and local associations that focus on roadway infrastructure safety and the efficient management of traffic. Through his many engagements, Neil strives to continue improving safety for all road users and those working out on the roadway.
