RE: Registration extension for Massachusetts Apportion plates

The Massachusetts Registry of Motor Vehicles has issued an extension for IRP Apportion Registrations displaying a June 2022 expiration decal.

All submitted renewals have been processed, however due to US Postal Service mailing timelines some carriers may not have received their credentials (CAB Cards) with new 2023 expiration decal.

Please honor this grace period by delaying enforcement of expired Apportion plate decals on vehicles operating in your jurisdiction until July 16, 2022.

If you have any questions regarding this letter, please contact the MassDOT, RMV Division, IRP Department at (857) 368-8120.

Sincerely,

Elizabeth Rizzuto  
Registration Manager  
MassDOT, RMV Division
